

TOP 5 REASONS TO WORK WITH datapath™

What if you could?

What if you could partner with a company that's invested in your success? Discover the DataPath difference.

1 STRONG CUSTOMER RELATIONSHIPS

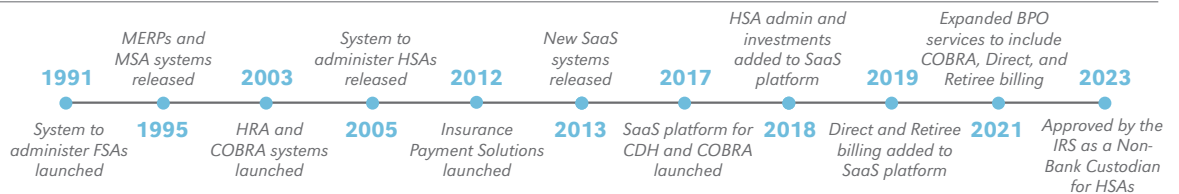

- We work hand-in-hand with our clients to create the products and services benefits administrators need to thrive
- DataPath provides the industry's best-in-class, US-based customer support

2 WE DON'T COMPETE WITH OUR CLIENTS

- Our growth and success depend entirely on the growth and success of our clients. We have no interest in competing with them.

3 INNOVATIVE SOLUTIONS AND SERVICES

4 FOUR DECADES OF INDUSTRY LEADERSHIP

- Co-founded the Special Interest Group for IIAS Standards (SIGIS)
- Hundreds of clients, and thousands of employers growing with our technology, business and financial solutions
- More than 50 million financial transactions processed
- Over 50 national and international awards for benefits education and communication
- Hold patents for Health Savings Account and credit card innovations

5 OPERATIONS BPO SERVICES AVAILABLE

- Reduce operational costs by up to 60%, boost efficiency, and position your business for scalable growth
- Effortlessly scale to accommodate a new client or get support to navigate enrollment season
- Experienced in all plan types including FSA, DCFSA, LPFSA, HSA, HRA, ICHRA, LSA, Commuter/Transit, COBRA
