

TOP 5 REASONS TO USE THE datapath PLATFORM

What if you could?

Considering an all-in-one administrative platform? You have choices. What if you could do it all with the DataPath benefits platform?

1 DATAPATH GIVES YOU THE FLEXIBILITY NEEDED TO SUCCEED IN TODAY'S MARKET

- ◆ Administer all tax-advantaged, post-tax, and compliance plans (like COBRA) in a single administrative platform
- ◆ Scale up as new products enter the market, such as Lifestyle Spending Accounts (LSA) and Student Loan Reimbursement Accounts/Programs (SLRA/SLRP)

2 THE DATAPATH BENEFITS PLATFORM IS THE INDUSTRY'S LEADING TECHNOLOGY SOLUTION

- ◆ True all-in-one solution for administering CDH accounts, COBRA, billing, and well-being benefits
- ◆ Flexible platform enables benefits administrators to offer select lines of service or the full suite of solutions
- ◆ Includes integrated financial processes such as debit cards, electronic payments, and investments

3 TPA-LEVEL PLAN CUSTOMIZATION SAVES YOU TIME AND HASSLE

- ◆ Set up almost any plan at the TPA level, including complex HRA plans, without the need for intervention from the DataPath customer support team

4 ACCURATE AND AFFORDABLE BUSINESS PROCESS OUTSOURCING

- ◆ Comprehensive services, from plan setup and participant data management to claims processing and fulfillment
- ◆ Expertise across all plan types, including FSA, HSA, HRA, ICHRA, LSA, COBRA, and more
- ◆ Flexibility to adapt to unique client preferences and practices
- ◆ Scalable to handle large new clients or navigate the challenges of enrollment season
- ◆ Convenient FTE pricing model, helping reduce operational costs by up to 60%

5 WE DON'T COMPETE WITH OUR CLIENTS

- ◆ DataPath recognizes that our growth and success are dependent on the growth and success of our clients. We are not interested in competing with you
